

## **Job title: Student apprenticeship programme (internship)**

### **Join the Bank of the future**

Around the world, growth is bringing new prosperity; businesses are pioneering new trade routes; and new centres of wealth and influence are emerging. At HSBC, we're inspired by the ways the world is changing for our business and for our customers. That's why we're looking to connect with the best and the brightest people from across the globe. With so much to offer, we're ideally placed to help you realize your ambitions.

During your **Placement**, you will be challenged to use your talents and academic knowledge to add value to the bank and improve your professional and personal skills. You will receive practical training to complement your academic studies, embedding our values while growing your career. You will benefit from building your skills and banking knowledge in a real working environment, and will be provided opportunities to take on responsibilities in a selection of interesting projects.

**Malaysia Student Work Placement** opportunities are available in the following business areas.

- **Wealth and Personal Banking**

We help customers to take care of their day-to-day finances and to manage, protect and grow their wealth. Our international network and breadth of expertise enable us to support individuals, families, business owners, investors and entrepreneurs around the world

- **Global Banking & Markets** (Global Banking, Markets & Securities Services and Wholesale Client Services)

Our Global Banking & Markets business focuses on building partnerships with our corporate, government and institutional clients to help them achieve consistent, long-term performance. We use the strength of HSBC's international network to connect emerging and mature markets, covering key growth areas. Our products and services include advisory, financing, prime services, research and analysis, securities services, trading and sales, and transaction banking.

- **Commercial Banking** (Business Banking and International Subsidiary Banking)

We provide businesses with banking services in both home markets and overseas. These include trade and receivables finance, global liquidity and cash management, multi-currency accounts, commercial cards, overdrafts, working capital finance, term loans and syndicated, leveraged, acquisition and project finance.

- **Global Functions** (Risk, Compliance, Legal, Marketing, Communications, Human Resource and Finance)

It plays a vital role in supporting the bank's Global Businesses, which includes areas from legal, risk and finance to human resources, sustainability, marketing and communications.

- **Digital Business Services** (Operations, Technology and Key Central Business Services)

Our Digital Business Services teams are the foundation of HSBC, providing essential support across technology, operations and key central business services for our global businesses and functions. We play a vital role in driving great experiences for customers and colleagues, and enabling the bank's strategy.
